PJS SOFTWARE DEVELOPER

Peter James Salter

SOFTWARE DEVELOPER

PERSONAL PROFILE

I'm a Software Developer and Illustrator and I'm enthusiastic, organised and determined to fuse my creative skills with my passion for technical problem-solving. Ambitious to progress on my learning and eager to adapt within a technical job environment.

PROFESSIONAL EXPERIENCE

Volunteer Mentoring
Founders and Coders | October 2022 - November 2022
- Assisted in presenting the curriculum to students and guiding them through the daily tasks.
- Giving constructive feedback and advice when needed.
